WHAT IS NASA SEWP VI | CATEGORY C?

NASA Solutions for Enterprise-Wide Procurement (SEWP) VI is a Government-Wide Acquisition Contract (GWAC) that enables all federal agencies to rapidly acquire commercial IT products, software, cloud technologies, cybersecurity solutions, AI, and related technology services through a pre-competed, best-in-class acquisition vehicle

HOW TO ORDER

SydanTech

NASA SEWP VI - CATEGORY C

CONTRACT #: 80TECH26D0239

Conduct Market Research: Broadcast requests for quotes to pre-competed vendors using the online **SEWP Quote Request Tool (QRT)** to ensure fair opportunity.

Generate the Delivery Order: Create an agency purchase order that explicitly cites the correct **SEWP Contract Number** and chosen Prime Contractor.

Include the Administrative Fee: Ensure line items and final order totals accurately account for the mandatory **0.34% SEWP surcharge fee**.

Submit to the SEWP Bowl: Email the completed order directly to **sewporders@sewp.nasa.gov** for PMO verification and tracking number assignment.
